

Energy smart unit

We are so confident about the benefits of the Energy Smart Unit™ that the manufacturer will provide a twelve month money back guarantee!

If you do not see at least 5% savings on your electrical bill in that time, you can return it for a full refund of the purchase price. However customer must prove based on 12 months of electric bills for the year before they installed the unit compared to 12 months of electric bills while having the unit installed that they did not save at least 5% on their electric bills. In addition Energy Smart Unit Money Back Guarantee is valid under the following conditions are met for the first 12 billed months of use:

- 1 - No additional electrical appliances, gas powered appliances, electrical wiring, circuit panels, or lighting is installed in the home or business
- 2 - No additional occupants
- 3 - No extreme differences in climate or climate control versus previous year
